ABOUT ME

A WEB DEVELOPER AND A UX/UI DESIGNER

I am a freelancer currently using my creativity to bring ideas to life in Nigeria, Edo state. My Work is based on front-end web designs along with Adobe XD on UX and UI Designs. Currently, I'm undergoing a full-time degree in mechanical engineering at the University of Benin (UNIBEN) Edo State, Nigeria.

My work showcases a wide range of both Tec Startup and enterprise where I utilize the consumer-centric website design in my creativity.
